

# Fair Use Statement

This site may contain copyrighted material the use of which may not always have been specifically authorized by the copyright owner. Our use of such materials is entirely transformative and/or parodic - we are orchestrating a fan film recreation of the movie Scarface. We believe this constitutes a 'fair use' of any such copyrighted material as provided for in section 107 of the US Copyright Law.

This project is entirely not-for-profit and those running this project are themselves a non-profit artistic collective.

If you wish to use copyrighted material from this site for purposes of your own that go beyond 'fair use', you must obtain permission from the copyright owner.

# Copyright Notice & Takedown Procedure

We abide by the federal Digital Millennium Copyright Act (DMCA) by responding to notices of alleged infringement that comply with the DMCA and other applicable laws. As part of our response, we may remove or disable access to material residing on this site that is claimed to be infringing.

Before serving either a Notice of Infringing Material or Counter-Notification, you may wish to contact a lawyer to better understand your rights and obligations under the DMCA and other applicable laws. The following notice requirements are intended to comply with our rights and obligations under the DMCA and, in particular, section 512(c), and do not constitute legal advice.
